CHURCH HISTORY WORKSHOPS - August 15th and 22nd

We've teamed up with the Molesey Historical Society to organise two church history workshops this summer. Our aim is to go through and catalogue all the documents, photos and record books that we have collected over the years and arrange to store them in a more coherent way than they are now! Church Council agreed to this approach and we hope that in time we can put up a couple of information boards that tell the story of our church from its inception over 150 years ago.

If this is something that interests you and you can spare a couple of hours to help with the project, please come long to the church on **Wednesday August 15th at 7.30 and Wednesday August 22nd also at 7.30**. A couple of colleagues from the Historical Society will be there to help us, making good use of their own experience of handling records to advise us about how to do the job well. Each session will probably last about 2 hours.

If you are interested and want more information please contact Grahame Snelling.

THE BIKE PROJECT

Hampton Methodist Church has started an exciting new project and become a '**Bike Hub**'. What this means is they collect secondhand bikes (adult and children) which are then donated to **The Bike Project** who refurbish them and donate them to refugees and asylum seekers in London.

The Facts: Asylum support is £36.95 a week. A bus pass costs £21.20, leaving £15 to live on. A bike can save £1,000 a year in bus fares.

For more information, please read the poster on our noticeboard which gives the collection time when they receive the bikes at Hampton Church. To read more about the project go to www.thebikeproject.co.uk

VOTE FOR THE BIKE PROJECT TO WIN A NATIONAL LOTTERY AWARD!
