He has just had his 39th anniversary of being in full time ministry and has served 5 pastorates in that time, before Thames Ditton he was in Dorking. His wife Judith is a piano accompanist for opera groups and choral societies and they have four children and two grandchildren.

Peter has always been committed to working with other churches and has been an enthusiast for Churches Together in the places where he has ministered. MESSAGE FROM REVEREND VICCI DAVIDSON

I hope that you have started to encourage your churches to knit Christmas angels again this year. We thought that it might be a good idea to develop our own tag this year, rather than use the "official" ones which would allow us to have a few different designs and to utilise the skills of the many artists in the Circuit.

The requirement would be to draw or paint a design which could be printed and attached to the angels and should be 50mm by 100mm (5cm x 10cm). This would allow us to produce good quality, multiple printed tags. The design should be Christmassy in nature and on the back we will put "A gift at Christmas from your local Methodist Church." If the designs could come to me by the third week in November, that would be really helpful.

Superintendent Minister - The Teddington Circuit of the Methodist Church
